

The Queensland Association of Mathematics Teachers are holding our two-day state conference on the 3rd and 4th of October at Emmaus College in Rockhampton.

We are looking for practical workshops focused at Primary (Years Prep to 6), Middle (Years 6 to 9), and Senior (Years 9 to 12). Presenters are able to attend the whole conference for just \$40 per day.

If you are interested, please complete the form and email to Melanie at [melanie.brooks@brisbanegrammar.com](mailto:melanie.brooks@brisbanegrammar.com)

\_\_\_\_\_

Are you involved in selling, marketing, promoting, or producing the products/materials/training used in your workshop?    Y    N

\* A commercial workshop includes but is not limited to any workshop that:

- Can only be accessed by participants using a specific commercial product (this includes a specific brand of calculator, purchased software or a paid subscription to a website for resources). If applicable, state which product is required and whether or not it is free for our members.
- Involves any paid consultancy/services (including running workshops at schools, games for students) which are necessary to access the content of the workshop.
