

QAMT 2021 EARLY & MIDDLE YEARS CONFERENCE

building maths futures

FEB 27 (EARLY YEARS.K-3) | FEB 28 (MIDDLE YEARS.4-9)

MOOROOKA STATE SCHOOL & ZOOM HYBRID
8:30AM-4:00PM

#EYMY21

KEYNOTE SPEAKERS

Assoc. Prof Bronwyn Ewing

Early Years Keynote

Associate Professor, School of Teacher
Education and Leadership, QUT

Ass Prof Ewing studies the problem of education failure with a specific focus on pedagogy and mathematics. She uses a transdisciplinary frame of study for her work and anchors most of it in theoretical approaches that emphasise pedagogical, contextual and multi-sensory influences on individual learning.

Dr Leicha Bragg

Middle Years Keynote

Snr Lecturer in Mathematics Education,
Deakin University.

In her keynote, Leicha will examine the importance of teaching mathematics from a social justice perspective. She will present tasks for your future exploration and share stories of the challenges and rewards that these tasks offer where mathematics is used as a tool to understand the critical social justice issues that face the world today.
