Declaration

I, of understand that:
(Your name) (Your school)

- the Queensland Association of Mathematics Teachers (QAMT) coordinates applications from Queensland students for the National Mathematics Summer School;
- QAMT may contact me to seek further information in relation to this application;
- QAMT may contact my school in relation to this application;
- QAMT may forward my details to the Director of the National Mathematics Summer School;
- submitting this application does not guarantee that I will be selected to attend the National Mathematics Summer School.

Signature: Date:

Please scan this form and return it to QAMT by email (qamt@qamt.qld.edu.au) or by mail to QAMT, School of Education, University of Queensland, QLD 4072.

We will send you an email acknowledging that we have received your application. If you do not hear from us, send us an email or phone us on 3365 6505.

Give the **School Nomination Form** to your mathematics teacher – along with a copy of your completed form – and ask him/her to send it to QAMT to support your application.

If you are selected to attend the National Mathematics Summer School, the Director will contact you by late September.

Applications are due to QAMT by Friday, August 21st, 2020.

School Nomination Form

Queensland teachers should use this form to nominate a student from their school to be considered for selection for the National Mathematics Summer School. If more than one student from the school is being nominated, use a separate form for each, and use the criteria and comments to give your ranking of them.

Name of student:

School:

Nominating teacher:

Email address:.....

Please rate the student on each of the following criteria:

	Low	Medium	High	Very high
Mathematical ability				
Interest in and enthusiasm for maths				
Ability to mix socially				
Self confidence				
Ability to cope with a 2-week residential school				

Please give further comments on the criteria or other information relevant to this student:
