Meet your presenter

Bill Fowles

Bill Fowles has taught in a range of QLD State and Independent Schools since 1986. He is well known for developing successful engagement programs and starting a wide range of schools and programs for the disengaged. His current role is working as Area Manager HIGH SCHOOLS for MTA and getting to play with all their equipment!

Latest in Mathematics Ed Technology. Focus on Dynamics

Bringing maths beyond the calculator and into the digital collection and manipulation of Data. Focusing on some exciting developments in the the cost and usability of the range of data collection devices now available to the modern Mathematics classroom. This session will be as hands on as possible.
