## Meet your presenter

### Leah O'Neill

Leah is an experienced classroom teacher, teacher mentor and curriculum leader. She offers highly practical solutions to issues raised by teachers and loves working directly in classrooms to demonstrate techniques. As a former head of curriculum, Leah mentors staff in a way that encourages ownership and deep thinking, as well as providing real answers to teachers' questions.

### Improving Students' Retention of Concepts: practical strategies backed by research

#### Audience

- Primary

#### Presentation mode

Why do students forget concepts that they've previously been taught? What practical steps can we take to help them remember and apply concepts and strategies? During this workshop, we will explore findings from studies related to this topic and develop practical classroom strategies that assist students to retain, use and adapt mathematical concepts.
