Meet your presenter

Robyn McNamara

Robyn is a Principal Education Officer in Mathematics, leading resource development and school support for the Essential Mathematics Applied Senior Syllabus and the Short Course in Numeracy. Her expertise in mathematics education and assessment practices includes teaching all levels of secondary mathematics for over 30 years and service as a panellist and District Review Panel Chair for Mathematics A. Along with supporting quality assurance practices related to the attributes of quality assessment, Robyn's varied roles for the Queensland Curriculum and Assessment Authority have included overseeing the development of senior mathematics subject reports and management of the marking of mathematics external assessment in 2020.

Audience

- Senior Secondary

Presentation mode

Being a critical friend - reviewing an examination question

This session will explore the role of a critical friend in reviewing and providing feedback on examination items to quality assure that assessment is valid and accessible. Examination questions and marking guides for all General and Applied Mathematics subjects will be used.
