Meet your presenter

Gerald Tuffield

Gerard has a Master of Education and has been a teacher, teaching principal, education advisor and author of educational resources.

Matific: Developing thinkers, not calculators

Demonstration of the online P-6 gamified mathematics resource Matific and how it develops students' ability to problem solve, use logical reasoning, and to think mathematically. Learn how to search by Australian Curriculum Content Descriptions for engaging activities to support your class program and schedule them for auto-assignment to students at the time of your choosing.
