Scale: 1-emerging, 2-developing, 3-proficient, 4-advanced, 5-exemplary

The nominated student...

1 2 3 4 5

Comment

...achieves excellent results						
... persists with mathematical problems						
...shows enthusiasm for maths and creativity with problem solving						
... seeks out alternate sources for reading, puzzles, problems, activities						
... is socially capable when mixing and working with others						
... could cope with 2 weeks residential						
...would benefit with challenge and act as an excellent ambassador for Mathematics						

Outline why this student would benefit greatly from the National Mathematics Summer School

Nominating School Declaration

I of

Hereby nominate ranked Only insert ranking if multiple students from one school

Declare that:

- I have visited the National Mathematics Summer School website (www.nmss.edu.au), shown it to the nominated student and we have discussed what the program offers.
- I have viewed the AAMT Flyer with the student.
- I understand that the mathematical association administering applications in this state may contact me, my school, or my Head of Mathematics (or Principal). This application form may also be forwarded to organisers of the NMSS.
- I understand that some states may require me to administer an entrance test/assessment.
- I understand that this application **does not guarantee selection for the NMSS** and have discussed this with the nominated student.

Submission

- This form must be sent to the Queensland selector at qamt@qamt.qld.edu.au
If you do not receive a reply within 48 hours, please resend or contact admin@nmss.edu.au
- Please ensure that the nominated student has completed the Student Nomination Form. You may wish to ask your school if there is any financial assistance available to students selected for NMSS; successful applicants may be eligible for either state based, or national bursaries should financial assistance be required. If the nominated student is selected to attend the National Mathematics Summer School, the Director (of the NMSS) will contact the student by late September.
- Nominations are due by Friday 30 July. Late nominations will not be considered.
